

Board members

Robiu Salisu

Robiu joined the board as a co-optee in the autumn of 2020 and is a member of the remuneration committee.

Robiu's personal aspiration for the association is to increase the diversity of its workforce and become an employer of choice for communities that are currently underrepresented in the association. Robiu is really pleased that some of this work has already started with a new and refreshed strategy on equality, diversity and inclusion.

Robiu has lived in Newport for the majority of his life and has a passion and love for the city and its communities.

Robiu was a former Welsh Youth Ambassador for Information and a recipient of Newport Youth Volunteer of The Year award and has strong ties with local organisations and groups across the city.

Robiu currently spends some of his evenings volunteering at a youth club for young people in Stow Hill, so if you see me around, say hello!

Robiu is an inclusion officer at the University of Bristol where he provides institutional level guidance on matters relating to the experience and inclusion of students from Black, Asian and Minority Ethnic background.
