Mike Usher

Mike joined the board in 2020 and is a member of the Audit & Risk Committee.

For Mike, the wider social purpose of NCH sits at the heart of what the association does, by being more than just a landlord and playing our part in helping to build vibrant and sustainable, connected communities right across Newport.

Mike has lived in the Rhymney Valley for over 30 years, an accountant by training, and experience as an external auditor working with public sector bodies across Wales and the wider UK focusing on good governance, organisational performance improvement and value for money.
