

#12DaysOfFireSafety

On the first day of Christmas

Santa said to me
Let's talk about fire safety

On the second day of Christmas

Santa said to me
Never leave
Lit candles unattended

On the third day of Christmas

Santa said to me
Never cook
Whilst under
The influence of alcohol

On the fourth day of Christmas

Santa said to me
Make sure the oven
And the hob
Are both switched off
before you go to bed

On the fifth day of Christmas

Santa said to me
Turn off your lights!
Keep
Flammable
Christmas decs
Far away from any heat sources

On the sixth day of Christmas

Santa said to me
Check your decorations
For any frayed cords!

No loose connections
No broken plugs
Make sure they're in
Safe and working order

On the seventh day of Christmas

Santa said to me
Check
Your

Fire alarms!

Make sure they're in full working order
And
Don't forget to replace the batteries

On the eighth day of Christmas

Santa said to me
If you use
An electric blanket
Never use

A hot water bottle!

In the same bed
Even if
It's switched off
And unplug it before you go to sleep

On the ninth day of Christmas

Santa said to me
If you use
An electric heater
And it's portable
Keep it well away

From flammable materials!

Never place
Drying clothes
Or towels
On top or underneath them

On the tenth day of Christmas

Santa said to me
Check your tree
Look at your lights
Do they fit

British Safety Standard

BS EN

60598!

Switch them off

Unplug them

Before you leave the house

And only one plug per socket

[On the eleventh day of Christmas](#)

Santa said to me

No lit candles

No drunk cooking

Don't leave the oven on

Or the hob

Check your decs

No frayed wires

One plug per socket!

Careful drying clothes

Check your twinkly lights

Double check your tree

And stay fire safe this Christmas

[On the twelfth day of Christmas](#)

We would like to say

Please stay safe

Please take care

Look after each other

Check on your neighbours

Join together

We'll be here

If you need us

Stay safe this Christmas!

To all our customers

Thank you

From **(NAME)**

And have a Merry Christmas time!
