Dear Resident,

Re: Notification of Demolition Works of former Church and Centre end of Tone Close

Newport City Homes have appointed Bond Demolition LTD through a successful tendering process to carry out the demolition of the former church and 1 Tone Close

Following a lot of planning, the time has come for works to commence on the **3rd of January 2023** for a duration of 4 weeks.

The operating times for the works will be in accordance with the planning approval of 08.00 -18.00 hrs. Weekend works (if required) would need prior agreement with the Client as the site & works progress.

Works will initially include the clearance of the buildings leaving concrete slabs in place.

Whilst we do not expect to cause you inconvenience, there will be machines demolishing the building, and some additional movement of lorry traffic to and from the site, during this period you may wish to take additional measures such as closing windows and doors that may face onto the site.

I am the Director from Bond Demolition Limited, should you require to discuss any further please don't hesitate to contact.

Thank you for your cooperation, it is our intention to complete the works with a minimum of inconvenience to you.

Yours Sincerely

Peter Smith
Director
